HOW TO ACCESS FREE SOFTWARE

Hello all,

Below are a list of software that can be downloaded for free. Here are the instructions on how to download some of these software if you are not already aware. Please review the software that interest you.

List of Software:

Autodesk: AutoCAD, Revit, 3dsMax (Free)

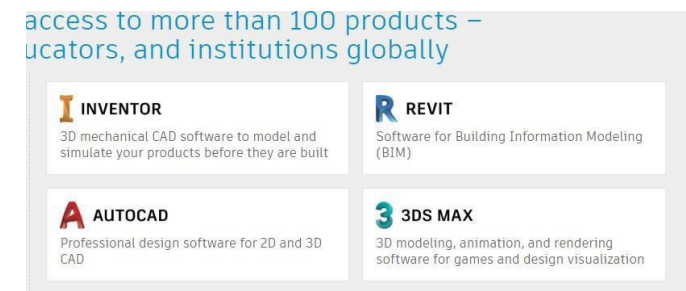

Windows 11 (Free)

Autodesk (AutoCAD, Revit, 3dsMax)

- To Install Autodesk software (AutoCAD, Revit and 3dsMax) for free, copy this link below and paste on your browser'sURL:

https://www.autodesk.com/education/free-software/featured

If you don't already have an account, create an account (Free) and fill out all the info (License type: Educational single-user licenses, Version: 2024, Operating System: 64 bits, Language: English). Make sure you fill out the correct information based on your computer/laptop specifications. Once you choose the app, it will prompt you to download the Autodesk installer app, which will show you the progress of the download. Proceed and once the download is complete, the option to run/open will show up. Do so and it will begin to download the software. The procedure is straightforward from there.
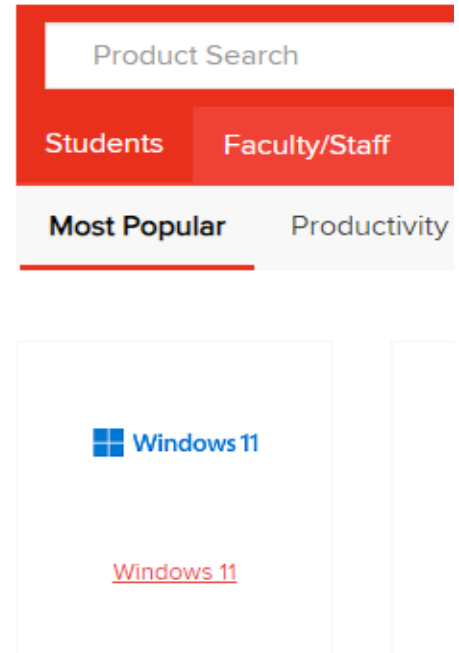

HOW TO DOWNLOAD WINDOWS 10 FOR STUDENTS (FREE)

- To download a free copy of Windows 11 for students, copy and paste on your browser:

https://nysid.onthehub.com/

Click on the Windows 11 icon to download your copy and "Add to Cart"

- First Register by clicking "Register"

- Type in your NYSID email address: firstname.lastname@nysid.edu

- Fill out the information requested

- Make sure that you choose the "groups of which are a member" to students

- Check the boxes and hit "Register"

- An email will be sent to your NYSID email and then click link to confirm.

- Proceed back to acquiring the Windows 11 and adding to cart. Then checkout (make sure it says free).

- You will be told to put in your username (school email).

- A confirmation page will be displayed with your Serial number (take a picture of it) and then click "get started".
